

LOVE, LEGACY AND THE POWER OF SONG CELEBRATE THEATREZONE'S 22nd SEASON WITH A SPONSORSHIP!

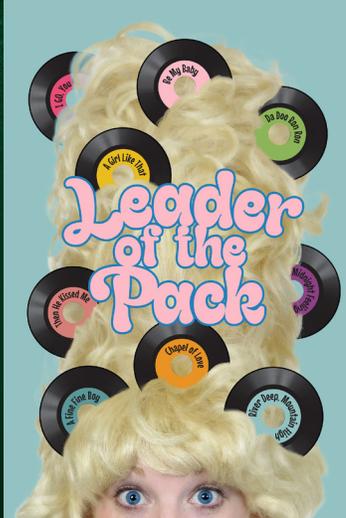

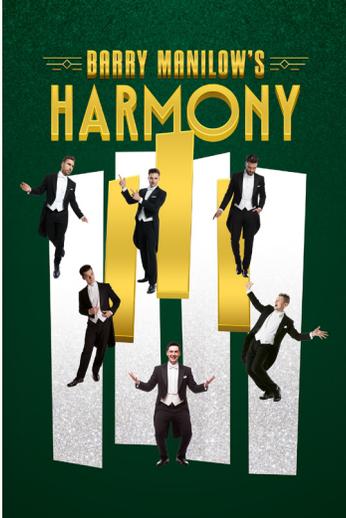

HOME FOR THE HOLIDAYS December 18-20, 2026

TheatreZone's beloved original musical revue returns with a celebration of the season, blending classic and contemporary holiday favorites with dazzling costumes, lively choreography, and a festive spirit that has become a Southwest Florida tradition.

BARRY MANILOW'S HARMONY January 7-17, 2027

Berlin, 1927. Six gifted young men form a singing group whose dazzling close harmonies, playful comedy, and irresistible charm quickly make them international sensations. TheatreZone is one of the first theatre companies in the world to produce the critically acclaimed *Harmony* since its Broadway run.

BARCELONA: THE MUSICAL February 4-14, 2027

Set in post-Civil War Spain, *Barcelona: The Musical* is a story of youth, love, and the moment when private lives collide with a changing world. As Antonio begins university, friendships deepen, romance blossoms, and dreams of the future take shape — even as outside forces challenge the choices he must make. *Barcelona* is a deeply human and timeless story of courage and hope.

SUNSET BLVD. March 4-14, 2027

Haunted by memories of her former glory, faded silent-film icon Norma Desmond lives in isolation, clinging to dreams of a triumphant return to Hollywood. When screenwriter Joe Gillis stumbles into her decaying mansion, their seductive and dangerous relationship offers them both a chance at salvation — and seals their fate. Tony Award-winning score by Andrew Lloyd Webber.
